Very nice. I really like the fact that it is an original composition. Creativity is really "The Cat's Pajamas".

**[Manuel](#), you deserve every compliment I have ever gave you. I never regret telling you how great your playing is, it's almost like your an alien from Banjo Planet!! I love the fact you getting into the more Classical stuff, but whatever you choose to play I know it will be good. Thank you for sharing. -Me**

Excellent piece of music. Low the low growl of the 4th string.
